

## Need a Great Gift Idea?

How about a bag of **Bridle Trails Coffee** and one of our new **Bridle Trails State Park** mugs?

Our coffees are roasted right here in Bellevue in small batches and shipped the next day. They come from socially and environmentally responsible farmers practicing sustainable growing. Choose from Fair Trade, shade grown and organic coffees.

The best part is that for every bag of coffee you purchase, \$2.00 will be donated to the cause of the Bridle Trails Park Foundation and its efforts to keep Bridle Trails Park open.

You can purchase our Bridle Trails Coffee from our local Bridle Trails Red Apple Market or to order directly from our supplier, just go to their web site, **SpecialtyRoast.com**, and then select “your favorite non-profit organization” when you order your coffee.

Just think, if you go through a bag a week at home or at the office, the Foundation could receive more than \$100 a year in donations while you enjoy some of the best coffee you can buy.

## How About a Hostess Gift for the Holidays?

That's right. The Foundation introduced our new Bridle Trails State Park mugs this summer at the Party in the Park. They were such a big hit, that we have ordered more just so you can have one for yourself or to put together with a bag of coffee for a great hostess gift this Holiday season.

Mugs can only be purchased for \$10.00 each (tax is included in that price) and picked up from Alice Prince at 425-883-8501, or from Ranger Mary at 415-417-7871.

Please call first to arrange a pickup time. Sorry, packaging and shipping are **not** available.
