

FOREST NATURE WALK IN BRIDLE TRAILS STATE PARK

NATURAL HISTORY OF A MATURE, LOWLAND FOREST

Join ecologist Jim Erckmann for a forest nature walk in Bridle Trails State Park. Learn about the natural history, plants, and animals of this exceptional forested natural area, how biological diversity in forests develops over time, and the threat of invasive plants to urban forests.

When: 10:00 a.m. – 1:00 p.m. on **Saturday, September 11.**

Where: **Bridle Trails State Park.** Take Exit 17 off I-405 (NE 70th Place), turn south onto 116th Avenue (just east of 405) past NE 60th St to the park entrance at about NE 53rd St. We will gather in the parking lot just south of the entrance.

Preparation: Wear hiking boots and clothing for wet and cool weather.

SPONSORED BY THE BRIDLE TRAILS PARK FOUNDATION

The nature walk will be limited to about 20 people, so please sign up in advance. To sign up, please contact Jim Erckmann at: jim.erckmann2@gmail.com or (425) 827-6595. More info at www.bridletrails.org.
